

2520M² \$65,000

This 2520 square meter lot is located at a convenient distance from the main road that connects with Puerto Jiménez and La Palma.

Located just 400 meters from the local grocery store, 5 minutes from Juanito Mora beach and 10 minutes from the center of Puerto Jiménez, it offers an ideal location that combines accessibility and tranquility.

The land has access to all the necessary public services, which facilitates its development and immediate use.

This environment not only provides comfort and proximity to essential services, but also an attractive and pleasant space to live.
