

YOUR KEY TO PARADISE!

OJOCHAL :: 2800 SQ M :: \$990,000

Nestled in the lush rolling hills of Ojochal, this commercial and residential property offers the perfect balance of luxury, privacy and serenity. Comprised of three independent villas, each with its own private swimming pool, the estate is surrounded by nature and boasts breathtaking mountain views.

The interior of each villa is spacious, the architectural design focused on natural light and ventilation, featuring high-end finishes in hardwoods and accents for a warm, modern aesthetic. The layout is designed also to blend seamlessly with the

surrounding environment in order to achieve the feng shui effect of harmony between environment and completed constructions.

Large picture windows allow you to appreciate the proximity to nature in all its raw glory and Latitude-Eight lighting.

The villa kitchens are fully equipped and feature top-quality appliances, offering an ideal space for gourmet cooking and entertainment. Well-appointed bedrooms and modern bathrooms complete the overall ambiance, making serene home-living just an Ojochal Villa away...

Each villa also includes its own private terrace and outdoor living space. The pools are positioned to maximize the view of the surrounding forest and mountains.

The individual villas are ideal for a peaceful escape replete with comfort and style. Whether you choose to relax by the pool, hike in the nearby mountains, or simply immerse yourself in the calm of nature, each villa offers an ideal residence for rural Costa Rican living.

Beyond its residential appeal, the property presents a strong investment opportunity. With a successful track record as a vacation rental, it has consistently drawn international guests, maintaining high occupancy rates and a proven revenue stream.

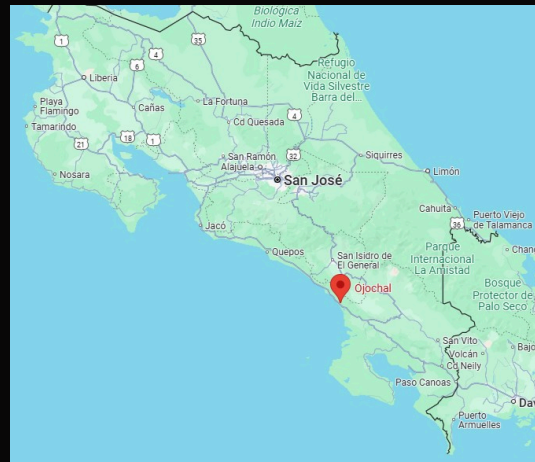

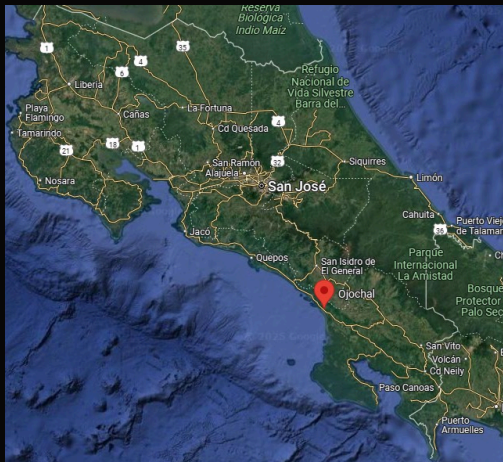

Buyers will not only acquire a stunning piece of real estate, but also a turnkey business with established operations and growth potential. The property is ready to generate income from day one, with a solid reputation and loyal clientele already in place.
