

Rincon Mountain Forest

47 Ha :: \$200.000

Yes, you heard that right. This week's featured listing comprises two properties adjacent to one another. One is a 27 hectare titled parcel, the second a 21 hectare titleable parcel. Buy the first for \$200,000 and get the second one FREE and title it yourself.

These properties are mountain properties located in the Rincon area of the Osa Peninsula and are ideal for lot segregation, ecolodge development, conservation, reforestation or permaculture or for a large country estate. The land is raw, only one small house but can be reached year round by car.

The property is located just four kilometers from the Drake turnoff from the

Jimenez - Chacarita highway and is bounded by the world-famous Neotropical Conservation Foundation.

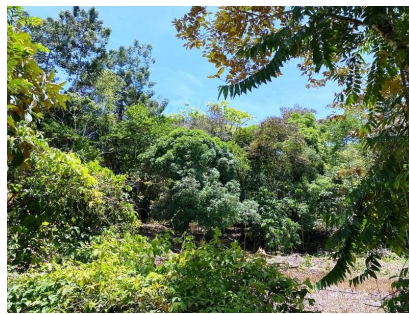

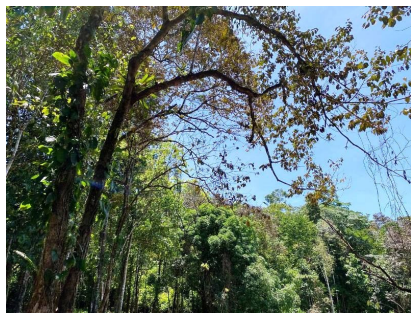

The property has both primary and secondary forest and pasturage. It has streams and springs and an abundance of wildlife.

This property has grid access power and on site water supply. It is titled and shovel ready for development.

Located just ten minutes from La Palma, you are a jump away from fuel, hardware and groceries.

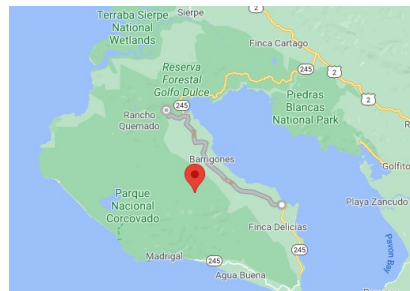

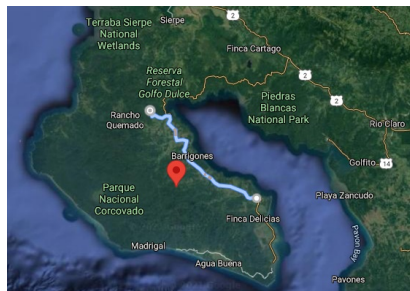

The peninsular commercial capital of Puerto Jimenez is 25 minutes away with a larger range of supplies, plus a medical clinic and airport.

Buy today and break ground tomorrow. Titled and ready to go. Call or write for more information or to arrange a showing.
